PALA, CA – Pala Casino Spa Resort is excited to present legendary American rock band Three Dog Night on Friday, November 4, performing live indoors at the Events Center.

Created in 1968 by Danny Hutton, Three Dog Night recorded the music of the best (and mostly undiscovered) new songwriters of their time including Harry Nilsson, Randy Newman, Elton John, Laura Nyro, Paul Williams, and Hoyt Axton among many others. The group's eclectic taste, combined with their ability to recognize and record hits in a unique, distinctive, and appealing style, resulted in Three Dog Night dominating the charts for years.

Now in its 5th decade, the band claims some of the most astonishing statistics in popular music. From 1969 to 1974, no other group achieved more top 10 hits, moved more records, or sold more concert tickets than Three Dog Night. The band's hits weave through the fabric of pop culture today, whether on the radio where they are heard day in and day out, in TV commercials, or in major motion pictures -- songs like "Mama Told Me (Not To Come)," "Joy to the World," "Black and White," "Shambala," and "One" serve to heighten our emotions and crystallize Three Dog Night's continuing popularity.

Boasting chart and sales records that are virtually unmatched in popular music, Three Dog Night had 21 consecutive Top 40 hits, including 3 #1 singles, 11 Top 10's, 18 straight Top 20's, 7 million-selling singles, and 12 straight RIAA Certified Gold LPs. The hits appeared on best-selling charts in all genres (pop, rock, and country). The band's records continue to sell around the world, reaching beyond the borders of the U.S. into Japan, Canada, Holland, England, Germany, Spain, and elsewhere. Tens of millions of Three Dog Night records have been sold through the years.

The show will start at 8:00pm. Reserved tickets are \$55, and general admission tickets are \$35. This show is just one of the impressive lineup of headliner and tribute concerts that will be held at the indoor Events Center, with tickets on sale now for all events.
